

**Connect To India Private Limited**, we're more than just a digital marketing agency; we're your partners in growth and success. We understand that in today's fast-paced digital landscape, businesses need more than just a website or a social media presence – they need a comprehensive, tailored strategy to thrive. That's where we come in

**Proposed Service: Starter Web Plan**

A multi-page website featuring 10 Products/Service Pages in addition to the standard 5 pages (Home, About Us, Products/Services, and Contact Us), complemented by 40 images and two home page banner.

**Project Contract Validity; 1 Year**

**Annual Cost: ₹ 20,000 Taxes extra**

**We are dedicated to providing you with the following services, ensuring quality, reliability, and satisfaction at every step:**

This package helps your brand and products get noticed on Google and social media. Think of it like having a vibrant online store that's always open, ready for customers whenever they want to check it out.

1. **Domain Name:** A domain name is like your brand's unique address on the internet. It's what people type in their browsers to find your website, making it easy for them to connect with you online. Acquire an exclusive online identity with top-level domains (.com, .co.in, .in), enhancing your brand's visibility.
2. **Web Hosting:** Get ready for reliable hosting that's like a sturdy home for your website. Our servers are not only fast but also super secure, ensuring your website runs smoothly and visitors have a seamless experience. Our dedicated server ensures top-notch security for your online presence.
3. **Secure Socket Layer (SSL):** SSL is the standard security technology that establishes an encrypted link between a web server and a browser. This connection guarantees the privacy and integrity of all data exchanged. Acquiring an SSL Certificate not only enhances security but also contributes to improving your website's ranking on search engines.
4. **Professional Email Address:** Enhance your business image with professional email addresses like info@yourcompanyname.co.in. Opt for Google Workspace for advanced features and the power of Gmail, presenting a professional image with personalized email. Elevate your business with a domain-specific email for enhanced reliability and credibility.
5. **Custom Website Design:** We turn your ideas into real websites using our design and development skills. We customize everything to suit your needs, starting with a plan, creating a sample, making improvements, and finally, giving you the finished a creative website that meets your expectations.

6. **Home Page 2 Banner:** The home page banner is very important for your website because it's like the first hello to your visitors, telling them about your company in just one look. We make it really creative, so it stands out and makes a great first impression. It's our way of making sure your website says, "Welcome, we're awesome!" right from the start.
7. **Business Inquires:** Stand out from competitors by promoting your business directly on search engines, shifting from B2B Portals. Get unlimited business inquiries through your website, making it simple for customers to connect via email or WhatsApp. Enhance engagement and streamline communication effortlessly.
8. **Website Content:** In the realm of digital marketing, our experts deliver the heartbeat of your online business – unique, targeted content. Tailored for your specific audience, our content is strategically crafted with SEO-enhancing keywords to attract business. Elevate your online presence with our skilled content, offering quality for all your marketing and business needs.
9. **Multi-Channel Integration:** We integrate your social media accounts seamlessly into your website. Additionally, we include a call button for easy click-to-call functionality, a WhatsApp button for convenient click-to-chat, and an email click-to-email function. People can connect with you through social media or contact you directly through WhatsApp, calls or email.
10. **Website Monitoring:** We monitor every website using Google Analytics and Search Console, ensuring optimal performance and fixing issues like broken links. With a focus on user behavior, we track metrics like page views, sessions, bounce rates, and conversions. This comprehensive approach guarantees a seamless online experience for all our websites.
11. **Video Embedding:** Embedding videos in a website is crucial for enhancing user engagement. By integrating video content directly onto web pages, visitors can seamlessly view and interact with videos without leaving the site. This not only keeps users engaged but also provides a dynamic and compelling way to convey information, making the website more effective and appealing.
12. **Responsive Web Design:** We create mobile-responsive websites for a seamless experience on all devices. Your site will look great and function smoothly on both phones and tablets. With user-friendly design, we prioritize accessibility for your audience. Elevate your online presence with our mobile-responsive website solutions.
13. **Website Modification & Edits:** We are the sole company offering 100% free post-sale website maintenance services. This comprehensive package includes a range of services such as website changes, edits, and modifications at no additional cost. Experience hassle-free after-sale support with our dedicated website maintenance services.
14. **Dedicated Account Manager:** Our dedicated account manager is here to assist with any queries or updates you may have. Whether it's a question or an issue, they are committed to providing personalized attention and prompt solutions, ensuring your business profile runs smoothly.
15. **Customer Support:** We offer customer support seven days a week via Email, Phone, SMS, and WhatsApp for queries or concerns. Reach out to us for prompt assistance with any issues. For continuous support, our WhatsApp line is available 24/7 at  +91-9811326655.

**Note:** All advertising budgets and additional services beyond the selected package are to be paid separately by the client.

To connect all small & medium enterprises, large enterprises as well as individuals to the online world.

### Services Activation Process:

**1) Service Activation:** Upon successful payment receipt, the initiation of work will promptly commence within 24-48 hours. Additionally, your project will be assigned to a dedicated Customer Support Executive to ensure personalized and efficient management.

**2) Project Timeline:** Upon receiving comprehensive information from your company, we commit to completing your web development project within a maximum of 2-3 working weeks. The exact timeframe may vary based on the project's complexity and requirements.
